International Wholesale Terms & Agreement

- **Shipping:** Most international orders ship by the US postal service as an economical option. You will receive a shipping quote to confirm. International orders ship normally insured so in the event the package gets lost, you will be able to track it and claim it with the corresponding carrier in your country.
- **Refunds or Returns:** in the event you are ever unsatisfied with the quality of our products, you may return them within 30 days. Shipping and any bank transfer fees are non-refundable, unless the return was due to our mistake. Please insure your package and use a traceable service when shipping products back to us.
- **Custom Fees & Taxes:** You will be responsible for any and all of the brokerage fees, duties and taxes associated with importing goods to your country. The Country of Origin for our collections is Peru or COSTA RICA (balsa masks).

International Payment:

- **By WesternUnion:** in US\$ for the amount quoted using as receiver:
*First Name: **Alloise** Last Name: **Blackowiak** City: **Sarasota** State: **FL** Country: **US***
- **By International Bank Transfer:** when WesternUnion is not an option for your location, and for orders over \$750, we will send instructions for a bank transfer. A \$30 bank transfer fee will apply to orders under \$500.
